

NUTS, BOLTS AND FINISHED PARTS AT DRAWING
NUTS AND SCREWS WITH FINE PITCH AND LEFT PITCH
NUTS AND BOLTS WITH WW - UNC - UNF - GAS - BSF PITCH
PRODUCTS CERTIFICATION ACCORDING TO UNI EN 10204 STANDARD

NUTS:

Hexagon nuts
All metal self-locking nuts
Self-locking nuts with nylon insert
Cage nuts
Domed cap nuts
Wing nuts
Flange nuts
Castle nuts
Inviolable shear nuts
Weld nuts
Turned and cold formed square nuts

SCREWS:

Hexagon head screws
Hexagon socket head cap screws
Countersunk flat head screws
Countersunk head square neck screws
Self-tapping screws
Wood screws
Inviolable shear screws

WASHERS:

Plain washers
Spring lock washers
Serrated lock washers
Large washers

THREADED RODS

STUDS

SLOTTED SET SCREWS

SPLIT PINS

Manufactured Steels

Stainless Steel

AISI 303 - AISI 304 - AISI 304L - AISI 305 - AISI 309 - AISI 310
AISI 314 - AISI 316 - AISI 316L - AISI 316TI - AISI 317 - AISI 317L
AISI 321 - AISI 410 - AISI 416 - AISI 420 - AISI 321 - AISI 430
AISI 430F - AISI 347 - AISI 904L

Special Alloys

MONEL 400 - TITANIUM - INCONEL - HASTELLOY - ALLOY
CARPEMTER - URANUS B6 - SAF 2205 - SAF 2507 - ...

RANGE OF APPLICATION

Systems for petrolchemical industry, Heat exchangers and other special applications, Photovoltaic Systems, Energy sector, Grilles fixing, Platforms for chemical industry and chemical systems, Furnaces and incinerations, Electric heaters, Systems depuration columns, Equipments for pharmaceutical use, Metallurgic/mechanic, nautical and naval industry, Fastenings, Building systems, Zootechnical and alimentary systems, Burners, Valves and industrial applications, Gas turbines and compressors, Naval systems and motors...
